## *Combined Training Day Success!!!! ( A note from Cathy)*

Well, I've got to admit, that would have to have been one of the coldest, nastiest days I have been experienced when it comes to our annual Combined Training Day but we soldiered on and our brave competitors pushed through the elements to finish the day successfully.

On behalf of the Committee I would like to thank everyone for their help as we were all such an important link in the chain that makes a day like this such a success. It was also lovely to see smiles on peoples faces given the elements and the constant offer of assistance was humbling.

I'm going to attempt to thank all for their efforts as its important to acknowledge everyone and I apologise in advance if I miss someone, it will definitely not be intentional.

Firstly thanks to all our **sponsors**, we don't have the final count however we raised approximately \$8,000 for the event. Thanks to all for coming to the working bee and the set up prior to Sunday.

Thanks to **Mark** and **Andrew** for their parking expertise , with limited space it is important that we fit everyone in and they did a great job. On a cold day food is the second most important thing on everyone's mind so thanks to **Pina** for once again coordinating the canteen along with all her **parent helpers**, also a special thanks to **Di** for her contributions and her yummy soups. Thanks to our Gear Checkers **Tanya, Shanni, Danielle, Sean, Monique's lovely dad** and **Julie** (who also coordinated our Facebook page keeping our competitors up to date on current details.)

Thanks to our Card Secretaries **Shannie** and **Donna** and our Treasurer **Sue** who all worked the competition day office so efficiently. A special thanks to our President and Secretary **Sean** and **Amanda** who managed to keep our competitors informed of results, presentation times, etc so as the day completed smoothly for our riders.

A special thanks to the **Carissa, Kelsey and Niesha** who managed the dressage marshalling effectively throughout the day enabling us to keep to time. Thanks to our non competing ridings, **Sarah, Bridget & Gabby** who were test collecting in challenging conditions.

An enormous thanks to **Dr Tom** for his assistance as the First Aid Office on the day (I don't believe we needed any first aid which is always a win) and for assisting with the Show Jumping ring all day.

Also a big thanks to **Brett** who coordinated the Show Jumping Ring all day, enabling us to finish on time. (Thank goodness). Thanks to all the parents who helped pack up at the end of a long day,

As special thanks to **Donna** who organised an amazing raffle. Donna tirelessly worked to organise and amazing selection of donated prizes enabling us to sell more tickets than have ever been sold before for our CTD raffle. Thanks to all who sold raffle tickets both prior and on the day, your effort was amazing.

Finally thanks to the Dressage Pencillers, **Haylea, Julie, Sharon** and **Kelsey** for their amazing help, all 3 judged commented that they were the best they had. And lastly, thanks to our riders who braved the day, from our younger ones for which it was their first competition to **Daniel**, who had to completed his Show Jumping in the hail.

Well done all, the day was a great success and we can only hope next years will be the same.

Now all we have to do is decide how to spend all that lovely money.

# Some Of Our Brave Competitors

This rally we will be focussing on Games to give our Junior riders exposure to the Zone Games and Flat Team events that are held Annually in our Zone.

We would love to have a team this year in both sections, its such a fun event . Following is information about the Assisted Games section which was new last year was a great success.

Níree, who is our Central Zone Chief Instructor, will be at the rally and for our second session she will give an information session to all about the Zone Event.

Please be at the clubrooms unmounted and with your parents or carers at 11.15am to participate in this session.

***Back by Popular Demand in 2017***

## **The Assisted Games Section.**

Do you have beginner riders & riders on leads that would love to give games a go but are a little worried about the fast pace of the competition teams?

Let's encourage all our riders and enter them into the *Assisted Games* in 2016.

**Under 12 Beginners & led riders only.**

Fill out the Assisted part on the entry with the amount of riders you have wanting to participate and we will make teams of 6 on the day. There is no need to fill a team for this section.

This is NOT a competition, it's a participation day for this group of riders to expose them to the thrill of games riding and team events.

And for the regular games teams – remember that **composite teams** are welcome and are eligible to go to State. So if your club has half a team of keen riders, don't give up. Contact Níree who will find another club with half a team.

**New in 2017**

## ***Team of 2, 3 or 4 Musical ride!***

This is for the riders that want to have a go but can't find a full team of four riders or just want to compete at zone level without the pressure of going to state. You must have a minimum of 2 riders up to a maximum of 4. Yes you can compete with 3.

Same rules apply as the team of 4 musical ride although the 2, 3, 4 musical will not be eligible for State Competition.

**Please call Níree if you have questions regarding these sections.**
